Honorable George D. Neilson  
Judge of Municipal Court for the  
District of Columbia  
Washington, D. C.

Dear Judge Neilson:

STATINTL

[REDACTED] who is employed by this Agency, has received notification of his selection as a juror for the Municipal Court for the District of Columbia, to appear in the Criminal Division at 9:30 a.m. on Tuesday March 7, 1950.

It is the expressed policy of this Agency to encourage jury service wherever possible and to request postponement only in those instances where it is apparent that the absence of the individual from his duties will impair the operations of the Agency in a substantial manner.

STATINTL

[REDACTED] is presently engaged in a planning capacity in the development of a report required by the top-level policy makers of the Federal Government. There is no one capable of substituting for [REDACTED] at this time. It is therefore our opinion that the absence of [REDACTED] would seriously interfere with the ability of this Agency to fulfill its commitment to other agencies of the Government.

We, therefore, respectfully request a six weeks' postponement of jury duty for [REDACTED]
